ACCESSIBILITY STATEMENT

At EmiliaCo Design Studio, we are committed to ensuring accessibility for all visitors to our website. We strive to maintain compliance with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA standards to provide an inclusive and seamless browsing experience for everyone.

Our Efforts Toward Accessibility

We continuously work on improving the accessibility of our website by implementing the following measures:

- **Accessible Design:** Our website is designed with accessibility in mind, including clear navigation, readable fonts, and scalable layout to accommodate various screen sizes and devices.
- **Alternative Text:** We provide alternative text descriptions for all images to ensure they are accessible to screen readers and assistive technologies.
- **Keyboard Navigation:** Our website can be navigated easily using keyboard controls alone, ensuring that individuals who cannot use a mouse or trackpad can still access all features.
- **Colour Contrast:** We maintain sufficient colour contrast ratios throughout the website to make content easily readable for users with low vision or colour vision deficiencies.
- **Video Accessibility:** Where possible, we provide captions and transcripts for videos to make multimedia content accessible to users who are deaf or hard of hearing.
- **User Feedback:** We welcome feedback from users regarding accessibility issues encountered on our website. Please contact us if you have any suggestions or encounter any barriers to accessibility.

Contact Us
